STRAIGHT OUTTA DETOX

Help put together a "Bridge the Gap" program for our local detox programs! This is a county-wide effort because many people getting out aren't just returning to one city. Help, suggestions & volunteers are needed from districts 12, 15 & 23.

Our goal is not only to provide a 'where & when' or suggestions for obtaining speakers' phone numbers, but also to have a list at hand of meetings throughout Brevard with the phone numbers of individuals who are willing to pick them up after release to their first meeting post-detox.

This goal comes with a bunch of questions, suggestions, curiosity & doubt. I am here to listen to them as myself & others throughout our county attempt to be the hand of AA.

The hope in this is for when the sick & suffering, with no defense against the first drink, decide to call a number to go to a meeting versus going back to the comfort of a drink.

If you are willing to put your name down next to a group you are willing to take someone to, please reach out with that information & I will add your name to the list.
